Subject: RE: For approval: RFA Cartier Drill Hall

Federal response to the RFA:

I acknowledge the request for Federal Assistance (RFA) from the Province of Ontario seeking use of Cartier Drill Hall parking lot.

CAF is set to provide the following support:

- **Provide infrastructure for use by law enforcement officials.**

The parking lot at Cartier Drill Hall will be provided starting 29 January 2022, until the Ottawa Police Service and its partnering law enforcement agencies have completed their operation, which is expected to be completed by 30 January, 2022, but may be extended based on an assessment of the situation.

Hi Creed – given the operational urgency in preparation for tomorrow, I made the call to issue this RFA. Law enforcement needs time to get ready and prepare. See attached
